

RAB®

FIELD
ADJUSTABLE

Ultra-economy wall packs.

SLIM17 — The options you want at the price you need.

Field-adjustable control.

The SLIM17 comes with a field-adjustable CCT switch inside the fixture that allows you to choose between 3000, 4000 and 5000K color temperatures.

On at dusk, off at dawn...

Both models come standard with an integrated photocell that will automatically control when the wall packs turn on for even greater energy savings.

Control where light goes.

The SLIM17 comes in 15W and 30W models and has fully adjustable cut off, from full cutoff up to 90° in 15° increments, so you can put the light where you need it.

The proof is in the performance.

Tight budgets don't mean having to sacrifice on performance. The SLIM17 delivers 70+ CRI and a high efficacy of up to 130 lm/W, all with 0-10V dimming. Its diffuse, uniform output comes without the flickering or humming often found in ultra-economy lighting.

Ordering Matrix

Family	Wattage	Style	Color Temp	Finish	Driver/Voltage	Options
SLIM17FA	15 30	ADJ Angle Adjustable	Blank 5000K/4000K/3000K selectable	Blank Bronze	Blank 120-277V	Blank Integrated button photocell

When mounted and kept at its 0° setting, the SLIM FA is a full cutoff wall pack and is Dark Sky friendly.

Easy installation.

Hinged wiring access and conduit entries on the back, sides, top and bottom make installation a snap.
