

# GENERATION LIGHTING

## VERRA™ 4" ROUND LED DOWNLIGHT

Verra combines the refined look of a traditional recessed downlight with the installation ease of a wafer downlight. Its smooth trim and recessed design deliver a clean, modern aesthetic. Designed for both new construction and remodel applications, Verra provides installation flexibility to meet the needs of any project.

- Beautiful, smooth, recessed trim that provides the aesthetic of a recessed downlight
- Can-less design: No recessed can required for installation, reducing labor costs
- All-in-one solution: No external junction box required
- 5CCT adjustable: Field adjustable between 5 color temperatures
- Suitable for new construction and remodel applications
